(Shawnee Ballroom)
- 9:00 p.m. **Book signing**

Tickets are \$40
Seating is limited

Come network with other animal advocates from all states bordering Kansas. Join us for this inspirational two-hour multi-media presentation, followed by a book signing. Nathan Winograd has been called "the voice of America's displaced pets and the conscience of the animal sheltering industry." He has created No Kill programs in small, rural settings as well as large, urban communities, and has worked and consulted in some of the most successful animal shelters in the nation. He is the leader and innovator of the No Kill movement in America. His

presentation will inspire, motivate and energize those who love and care about companion animals. Building a No Kill Community is the single most important event of the year for rescuers, members of humane organizations, shelter directors, animal shelter employees, community leaders and elected officials, veterinarians, animal control officers and those who simply love animals. In this session, you'll learn the basics on the No Kill philosophy of animal care and what it takes to become a No Kill community. Join us as we take the first step toward transforming Topeka into a lifesaving community. You may purchase Nathan

Winograd's critically acclaimed books "Redemption" and "Irreconcilable Differences" at the event for a discounted price. Tickets are \$40 and can be purchased on our website at saveourshelteranimals.org or call SOSA at 785-817-9279. Seating is limited so reserve your spot today. We look forward to seeing you at the No Kill event of the year!
